

We encourage you to make an investment election to ensure that amounts in the Plan are invested in accordance with your long-term investment and retirement plans. However, if you do not make an investment election, then the amounts that you could have elected to invest will be invested in a default investment that the Plan officials have selected.

IX. Employer's right to terminate Plan

Pursuant to the terms of the Plan, your Employer has the right, at any time, to terminate the Plan. Termination of the Plan will result in the discontinuance of all contributions to the Plan (including the safe harbor 401(k) contribution) with respect to any compensation you receive after the effective date of the termination. Termination of the Plan will not affect your right to receive any contributions you have accrued as of the effective date of the termination.
